TL: What's up, baby boy?

West: What up, What up?

TL: You, you, you. Let me move so this Mack truck can get up in here.

West: Oh, yeah he's waiting too.

TL: I was wondering who was beeping. What's been the deal-oo baby boy, I'm sorry it took so long man to get at you. I'll explain it to you. You know, that..that list you gave me I passed it off to "P" to process.

West: Right.

TL: Right, and a lot of the cards, cars were umm what do they call it, financed?

West: Right.

TL: So when it's financed, you can't pull up the information that we need.

West: Right, right, right.

TL: You know what I'm saying, but this, but I did you know, this here is a \$1,000 Best Buy card.

West: Okay.

TL: You know what I'm saying? Umm, if you get a chance man, if you get into the other spot man.

West: Yo listen, you know what, I'm trying to. I'm not there no more but now where I'm at, I'm at NStar.

TL: Oh, okay.

West: And, I'm trying to figure out where the records department is.

TL: Okay.

West: I have access to the whole place and I'll be there tomorrow and Thursday. I'm just trying to see if I can grab a sheet of paper with a ...cuz that's how they do it.

TL: Right.

West: You know what I'm saying? They have shit listed on a sheet of paper I don't know how you know if it's going to work out or what, but that's what I wanna go for it. I know the other shit takes more time...you gotta give it to this person to get hit and to cut the chase it's better off to for me to just get the numbers.

TL: Right, yeah because it's like I had told "P" ...damn...because I don't want him to think I'm frugaling him and him being busy.

West: No, I didn't even expect this. I was trying to get some by something...buy something from you to tell you the truth.

TL: Okay, so what were you looking for?

West: You know what I'm saying...for Home Depots...I'm looking for like 5 for 10.

TL: Okay.

West: You know what I'm saying? I got...I mean ...that's what I mean. If I had to buy...no hits, there were no hits. I mean, I mean was...

TL: No, no...they may have (UI) some, but it just wasn't much.

West: Right

TL: And you know, like I said, my list ended up jumping in between somebody else's list you know the way they work it and shit you know and it's its' just been fucking crazy. But anyway, if you do that...you come out with socials and shit

like that I can do the damn thing.

West: Yeah I know, I know that's the thing that you need. The other shit is just you know, okay this will get us by but you know the main thing is if we can get some numbers.

TL: When ...when you run when you run the plate numbers right it comes up with the information.

West: Right, yeah.

TL: So it makes it easy, but if it's financed it's like shhhh.

West: Right.

TL: I mean high end cars normally turn out good. A lot of times what we find out if the high end cars is (UI).

West: (UI)

TL: Yeah, what happens though a lot of times they either finance or the mother fuckers are in debt up to their neck.

West: Oh, okay.

TL: You know what I'm saying?

West: Right.

TL: But it makes the process of getting shit a lot easier when we use the socials.

West: Right, right.

TL: You know?

West: Yeah I can understand what you're saying man.

TL: You know I mean shit, like I said, you run across credit cards and shit you know it would be like boop...it makes it even better.

West: Right what just somebody's credit card, too?

TL: Yeah we can get information off of it.

West: Right, right

TL: Yeah but to be honest with you how these mother fuckers do what they do I don't ask

West: Right

TL: You know

West: I can...I can read it you know what I'm saying...I probably don't know to the full extent but I can say so okay if I give these people this number they're just running checks, okay he's got good credit well let's give him a fuckin \$5,000 on a home depot credit card

TL: Credit from home depot

West: Right.

TL: Right.

West: And now let's buy this let's this...lets buy gift certificates or whatever you know what I'm saying? You know I can see how it goes...it's just that like I said, I realize that my shit is probably takes long because you got to wait for that you know with the hits.

TL: Right.

West: And so on and so forth. If I can get you numbers I'm going to try to...definitely. I know...

TL: Definitely. Now we partying out on...umm the day after...

West: Yo, we o partying.

TL: The day after Thanksgiving?

West: Its on.

TL: Okay well it's funny that you had mentioned it because when I spoke to you...you say some people...I got a couple cousins coming up.

West: Yeah?

TL: Right.

West: Yeah, it's on.

TL: But they looking for party favors and I don't...I'm not...

West: Right, afterwards...with the girls you mean?

TL: No, the other favors.

West: Powders?

TL: Yeah.

West: Oh yeah, my man's got that, I don't. But I could definitely...

TL: Okay.

West: Get that...network that for them.

TL: Okay.

West: Yeah, my peoples' get down...good, good, good.

TL: Alright.

West: That's not a problem... you just let me know some numbers in advance. I know it's no small stuff...it's only like teenagers and umm...

TL: Right.

West: Balls and stuff like that, but ah...

TL: Alright cool, but you gotta get figures for me because they're coming up.

West: 80 and 125.

TL: Oh, oh...125 for?

West: A ball.

TL: Yeah? Yeah, that's...that's...that's how long I've been outta the game. You know what I'm saying on that aspect you know what I'm saying.

West: I mean some people will ask for 150, but I mean...I mean but he's giving them to me for 125 apiece...you know what I am saying.

TL: Okay
